

UNITED STATES BANKRUPTCY COURT
CENTRAL DISTRICT OF CALIFORNIA
OFFICE OF THE CLERK

JON D. CERETTO
Executive Officer
Clerk of Court

PUBLIC NOTICE

RE: NEW webPACER SYSTEM FOR THE SANTA ANA DIVISION

The PACER system for the Santa Ana Division has been upgraded to a browser-based format. The new system, known as webPACER, has the "look and feel" of an Internet web site and is similar to the webPACER system currently operational in the Los Angeles, Santa Barbara, San Fernando Valley and the Riverside Divisions. Case information currently available under the old DOS PACER system may be viewed from webPACER. The set-up software for the new webPACER system is available for downloading from the Court's Los Angeles webPACER site and the Court's Internet web site, which is located at [<http://www.cacb.uscourts.gov>](http://www.cacb.uscourts.gov). (Note: Although webPACER allows access to case data throughout the Central District, you will get faster performance if you call the local number for the Division where your case is filed.) The new system will support Internet Explorer versions 3.0 and 4.0 and Netscape Navigator version 4.0.

The telephone number to access the new webPACER system (1-714-338-5406) remains the same.

Users of the webPACER system will be charged the current PACER usage rate of \$0.60 per minute as mandated by the United States Judicial Conference.

New webPACER accounts will automatically be established for current PACER users with active PACER accounts. If you have not yet registered with the PACER Service Center and would like to establish a new account, please call (800) 676-6856 between the hours of 8:00 a.m. and 5:00 p.m., Central Standard Time.

JON D. CERETTO
CLERK OF COURT
